...A NEW CONCEPT IN COMEDY BASKETBALL

The Harlem Rockets are a team of talented, well-known, and well-trained players who excel in comedy basketball at its finest. While other touring comedy basketball teams carry their own team of opponents with them, The Harlem Rockets possess a striking advantage...their opponents are made up from the local community's civic or youth organizations.

Direct from ABC-TV Good Morning America

The fabulous Harlem Rockets Comedy Basketball team is headlined by two outstanding performers. Head Comedian Kevin "Showboat" Jackson and ball-handling wizard Johnny "Magic" Dadzie will keep the crowd glued to their seats again this year. With a supporting cast boasting 7-foot Rick "Rim Rocker" Lopes and the hilarious Dwayne "Swoop" Simpson, the Rockets are prepared to blast off into another successful season.
